## PARKING

Address: Reynolds Student Center, 1015 West Market Street, Greensboro

All buses, trucks and cars must be parked at the Reynolds Student Center. Buses and trucks should park in the back of the lot. Do not park in any other campus lots, or you will be ticketed and possibly towed. Buses may drop off students in front of the Odell Building, or students may walk (in groups) from the Reynolds Center to Odell.

### Directions to Reynolds Center from Odell Building

The Odell building will be on your right at the brick cross-walk. College Place is a two-way street and no parking is allowed. ## The LION the WITCH and the WARDROBE

by C.S. Lewis

An old house in rural England becomes the home base for four children who wander into an incredible country through an old wardrobe and help the country return to summer. In the incredible Narnia, they make friends with the frightened forest people who have almost given up hope for the return of good King Aslan, their true ruler. When Aslan was there, it was always summer. There is a great battle to see whether this magical country will remain under a wintry spell or will, once again, know freedom and summer under good King Aslan. A charming play about courage and the love of freedom.

Adapted by Don Quinn. From C.S. Lewis' story.

Produced by Special Arrangement with:

**In the First World War, between 1914 and 1918 more than 300 soldiers of the British and Commonwealth armies were executed by firing squad, some for desertion, some for cowardice, two for simply falling asleep on their posts. Many of these men were traumatized by what we now know as Post Traumatic Stress Disorder. Others were not properly defended, and some were even minors. The families of these soldiers often carried the shame and stigma of the word "coward". In 2006, the men executed for offenses were granted formal pardons after decades of campaigning by their families. A memorial, "Shot at Dawn" created in The National Memorial Arboretum recognizes these soldiers.**

# PROVIDENCE DAY UPPER SCHOOL PROUDLY PRESENTS

## RADIUM GIRLS BY D.W. GREGORY

Produced by special arrangement with THE DRAMATIC PUBLISHING COMPANY, INC., of Woodstock, Illinois.

Originally produced by Playwrights Theatre of New Jersey and developed with a commissioning grant from The Ensemble Studio Theatre/Alfred P. Sloan Foundation Science and Technology Project.

Note from the Director: The time has come for this story to be told from the feminist perspective. Our actors are giving voices to women who were silenced and sentenced to a life cut short by corporate greed. The dial workers who were brave enough to take their case to court fought not for themselves, but to prevent this tragedy from occurring again. We honor their (still quite literally glowing) memories by bringing this story to the stage. We owe them our gratitude for shaping corporate policies concerning labor laws and present workplace safety standards, and we fight to bring light to the issues in corporate America that are still happening today.
